

ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Notification dated 9th August 1923.

It is hereby notified for the information of the public, that certain unserviceable articles such as Surveying and Mathematical Instruments, Machinery, Tools, Furniture and a few sundry articles belonging to this Division will be sold by public auction on the 27th August 1923, the sale commencing at 8-30 A.M. in the Divisional Stores.

Terms and condition of auction sale will be as follows:—

- (a) The articles will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the lot or lots shall be put up again and resold.
- (b) All articles purchased to be at the risk of the purchaser thereof from time of sale.
- (c) All lots to be removed with faults and errors of all description as sold.
- (d) Cash to be paid in full for lot or lots purchased by bidders before delivery, but the lot or lots will not be allowed to be removed from the place of auction until after the close of the sale.
- (e) In case of default of payment of the whole or any portion of the purchase amount by any bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby.
- (f) A deposit of ten per cent of the amount tendered by the successful bidder should be recovered immediately the lots are knocked down in his favour, and such deposits shall be treated as forfeited to Government in case of any default to pay the purchase money within the time prescribed in clause (g) on resale as laid down in clause (e) the bidder will be liable to make good any loss incurred thereby, without the right to participate in any excess realised.
- (g) The articles, purchased should be removed within three days from the date of sale.

S. SRINIVASA AIYAR,
Executive Engineer.
